DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

In these difficult times, I come every day from Heaven so that one day you will reach peace. For this, with the rosary between your hands, look in the prayer for the essence and the attribute of the Peace of God, because in truth I tell you that it will be the Peace of God that will lead you to find the patience that is so much sought in these moments.

Embrace prayer as the only shield of protection against the evil of My adversary. Do not give up the path of consecration and surrender that My Son proposes to you. For this cause I am here to help you because as your Heavenly Mother I wish you to take the same steps that My Son took to the Cross, achieving the redemption of the world out of love for all. For this, imitate Him and be consistent with what the Universe gives you.

My Heart accompanies you through this pathway of transformation and renunciation that some are being called to live in the name of humanity.

Love each other and together you will reach the goal that God has set for you.

Humanity needs many more who people who pray, in this way the Earth will also be able to consecrate itself.

I thank you for answering to My call!

Who fills you in the Sacred Love of God,

Your Mother Mary, Rose of Peace
