**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??**

Dear companions,

It is very important, for the manifestation of the Mission in Turkey and in Hungary and in order that such a Mission has the correct repercussion in the planetary consciousness, that all of you, servants of God, give your adherence to the Campaign<sup>1</sup> of My Chaste Heart. Do not forget that this is a work that is being guided so that a Higher Plan may be fulfilled and, for this, we need true action from all.

In recent days, the planetary consciousness received a great impulse, thanks to the answer of all to the Call of God, but this impulse needs to keep growing and deepening within each one of you, manifesting in this way the transformation of your lives and, as a consequence, of all humanity.

You must trust in this: that each one of your acts are valued before the universe and that, with each one of your steps towards the light, we can change the destiny of humanity.

The Victory of God in a group of consciousnesses will dictate the course of evolution of all of Divine Creation. It is for this that, amongst so many worlds and such a vast manifested universe, the Consciousness of God is so close to your lives, with all of His Attributes.

The Creator intends to send increasing impulses to the planetary consciousness and to deliver all that which is most precious that exists in the Cosmos, in such a way as to lead you to express your potential as a Divine Creation.

In these definitive times, the Creator will deliver all to humanity in order so that you will also deliver all to God and so that you may be in accord with what He has thought for each one.

My beloved ones, I speak every day to those who, awake in the heart and in the spirit, will follow My Steps and, in the simplicity of My instructions, will find the greatness and the Perfection of God.

To know and understand what I tell you, it is necessary that you experiment by yourselves. It is for this reason that I ask you for this Campaign<sup>1</sup>, which is so simple, but so great in the eyes of God. If you truly follow it and offer your actions to God, they will have incalculable planetary repercussions.

I love you and guide you to a greater transformation.

The Most Chaste Saint Joseph
