DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PORTO ALEGRE, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While the Sacred Hearts work tirelessly for this world, the weeping of the most little ones of the Middle East is heard in face of the lack of mercy and of compassion. In the most little ones there exists the spirit of inner purity, this purity and innocence that some try to banish through fear, panic and of perturbation.

It is for this, that the Sacred Hearts of Saint Joseph and of Mary have entered the regions of greater conflict in order to assist spiritually and materially all of the families that live in the sea of desperation and of exile.

Your Heavenly Mother decisively implores to Saint Michael Archangel for Him to place the Creative Power of His sword of Light over those regions and consciousnesses of the planet that provoke the worldwide disorder.

If this comes to pass, the Law will be hard with the ungrateful and the unjust ones, which will not be able to be reverted.

It is to prevent a punishment that could leave a mark in humanity that Your Most Holy Lady of Heaven descends to the world to beg to all of Her children for them to ask for mercy and redemption. It shall be for the sake of the profound and truthful supplication of the praying ones of the world that a longer period of peace may be achieved.

Otherwise, if the more conscious and awake humanity does not pay attention to the call that comes directly from Heaven, humanity will see much more than blood flowing and corpses decomposing in the streets and in the nations of the world.

If this happened, a kingdom of darkness would be established in the world, but as I know that My Immaculate Heart will triumph, I will come to ask for the life and the surrender of a few servers so that in the Holy Name of Jesus Christ they will balance all of the degenerated causes in this world of today.

This will prevent this unfair kingdom to be established and will permit that the Powerful Heart of Mary may triumph in the great regions of the Earth. In this way, the Angels of the Most Holy Trinity will descend to the planet to remove the consciousnesses that have opened the doors to evil.

Thus, many will see the great prodigy of the Mother of the Sun in the horizon, a sign that will mark the beginning of the expected one thousand years of peace. For this to happen, all that seems impossible and exacts sacrifice will be asked of those who gave their yes to Jesus Christ.

It will be in this way that the Work of God will not be lost as the innocent blood that flows in the streets of the world today is lost, and the Work of God shall have its victory through Grace.

I thank you for embracing with trust My important call!

In a vigil of light and of prayer,

Your Mother Mary, Rose of Peace
