DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??????

Relieve the human heart, releasing your heart from all anguish that separates you from God.

Relieve the human heart, which is the Heart of God, forgiving and healing the wounds that the illusion of the world has caused in your chest.

Relieve the human heart and, this way, all of Creation, fulfilling the principles of God for you.

Heal the ills of the body with the balsam of the spirit; live in the spirit of peace.

Dear companions, do not fear the freedom of the spirit, this which you find when you no longer carry your own weight and the human loads that prevent you from walking.

I come to the world as the bearer of celestial freedom. I come to bring you the key of a new door, in order that you may cross it and leave from the old existence, of the old human.

It would be simple for all human beings to find God and to dive into the depths of His Most Sacred Heart, if you could overcome the barriers of pride and of the fear of losing yourselves.

I am here to make you understand a superior reality, so that you may enter, in consciousness, into a true, greater life.

I ask you to heal human resentments as a way that you may learn how simple it is to let love emerge in your own heart; that you understand that this potential of love will always be latent in the heart of all beings. And, now, this love must be poured not only upon individuals, but also upon all the Creation.

To learn to love the Whole, you must learn to love all and, for this, you need to put aside the fear that prevents you from discovering the greatness of the true love that lives in all of you.

When you are willing to learn and to transform yourselves, My Chaste Heart will lead you, will show you the paths and will indicate the steps to follow.

After you take certain steps, you will understand the true essence of My teaching and you will be able to glimpse to where I am leading you in this time.

I will accompany you today and forever,

The Most Chaste Saint Joseph, Servant of God
