**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Awaken to the call of peace! Today I ask you to open your hearts so that more light from My Immaculate Heart may enter into your lives. My Maternal Light takes you towards the Eternal Redeeming Light of Christ. My prayer gathers you as souls so that together We may pray for peace.

The world changes fast and it is necessary to create pillars of prayer that may be able to harmonize the consciousness of humanity before the events that it produces with its actions.

I tell you, dear children, that the life of prayer will keep you prepared for the times of change. The important thing is that your hearts be participants in the life of the Spirit of God so that you may be able to transmit the Love of the Father to all those who need it.

All My praying children are called in this time to the reparation of the soul and the heart through continuous prayer. Your groups of prayer must represent the Heart of the Living Christ for this humanity, and this heart, formed by your prayers, must widely expand love towards the whole world.

I invite you to be bearers of My Peace; believe in it because the Peace of the Lord is necessary in all humanity in these moments.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
