DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

I deeply rejoice for finding you here today, reunited in this beloved oratory of My Heart, because all of the praying families are favored before the Heart of the Celestial Father.

Dear children, today I would like to tell you from the depths of My Heavenly Soul that higher and eternal life exists after this life. Many among you, of those who have already left, learn close to My Heart about the power of prayer which rescues and liberates other souls.

For this, you must rejoice, and each day love the Will of the Creator who wants to see you mature and be firm on this path, which will finally also lead you to find your own dwelling in the Heart of the Celestial Father.

My children, death is a deep step of purification and detachment: in this way, the soul lives a stage of surrender of everything that it lived on the surface of the Earth. If your souls pray with trust to My Immaculate Heart, you will fear nothing, Your Heavenly Mother takes care and protects each one of Her children who are following the Will of God in obedience, and their brothers and sisters.

You will see, in these times, My beloved ones, that the world will purify quickly, this is not a punishment of God, it is the movement of truly living a change within the consciousness, in order to be able to reach the consecration to the Kingdom of God.

If you are here today, it is because I love you, and will always give thanks for your prayers, for the Plan of the Most High and for this suffering planet.

I thank you for responding to My call!

Who awakens you to a Higher Life, after this life,

Your Mother Mary, Rose of Peace
