DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE CITY OF SAO PAULO, BRAZIL, TO THE CITY OF BOGOTÁ, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

I wish that through this mission to Colombia and Venezuela the door towards Peace may once again open in the hearts that are in need.

This mission unites all through My Most Sacred Heart, and, beloved children, that is why I need you to be torches of peace for all those who you will meet. I hope that the hearts that need healing, forgiveness and redemption recover faith and mercy.

Dear children, do not fear what you will find. May your arrival sow the infinite joy of serving God and His Plan of salvation. Your Heavenly Mother finally congregates you through the spirit of love and fraternity, doors that you will always be able to keep open among brothers and sisters on the same path, the path of My Son.

While you are about to arrive at a land that needs forgiveness, discover the faith that exists in many Colombian hearts. Unite in these days as one and only people of God, full of the Mercy of God and of Redemption.

Dear children, I wish to stay more days among you and My Son also wishes so, that is why we are inviting all the dear children of My Immaculate Heart to also receive the blessings of Christ.

It is for this special reason that on October 11, at 8 p.m., after having prayed and adored Christ, the Master, He will come extraordinarily to give the unction to the brothers and sisters of the groups of prayer of Colombia.

Dear Children, Your Heavenly Mother will also be present to accompany you. Later on, this extraordinary meeting with My Son will be published by Mercy Mary TV so that from Colombia the whole world may also listen to the voice of the Master.

I thank you for answering My Call!

Good arrival to the nation that must consecrate itself to God.

Your Mother Mary, Rose of Peace
