DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BOGOTA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

You may face the greatest and most difficult test, but when you pray the mysteries of the rosary of the heart, just as you did today when you were in My divine presence, there will be no knot that cannot be untied nor evil that cannot be liberated.

Simply through the holy rosary of the heart, I bring you the spiritual resurrection of your lives every day. I humbly show you the same path of surrender that I, as Your Mother, lived for you.

Now, My dear children, you are beginning to get to know this sacred path that all souls are invited to traverse in the spiritual life.

Dear children, I wish to thank you for your prayerful response, continuing with the purpose of praying for peace in the Middle East, which is still urgent.

Today I come to invite you to pray the prayer of the Universal Mother thirty three times for nine days; this exercise will be called the "Novena of the Universal Mother."

Your task will be to pray, proclaim and feel in the depths of your souls the attributes of the Universal Mother so that these may continue to broadly descend to the planet. This novena is to be started on the 17th of October of 2015 and when finished, a special novena of prayer will be begun, answering to the request of Saint Joseph for peace in the world.

For this reason, the next novena that will be done will be the Prayer and Petition to the Most High God for world peace and for redemption, a supplication transmitted on the 10th of October of 2015 by My Most Chaste Spouse.

Dear children, We are attempting to have you remain as long as possible in the school of prayer that you are living today. The prayer of supplication for peace of Saint Joseph will be prayed fourteen times during nine days; thus the Celestial Kingdom will be closer to all and to the world.

I thank you for answering to My call!

Who conducts you through the sacred school of prayer,

Your Mother Mary, Rose of Peace
