DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Maternal Heart comes to your lives to alleviate you from all pain, suffering and incomprehension. The Sacred Heart of My Son comes to your lives to redeem you and to lead you towards the path of salvation.

Dear children, calling again each one of your lives, today the Lord asks you to purify your hearts from any feeling that does not belong to the Light, because if you do this through the exercise of prayer, your souls will be helping to alleviate the great rage that a part of humanity lives. This is a feeling that distances the hearts from the One and Only loving Heart of God.

Therefore, My little ones, may your hearts be hearts of children: pure, crystalline and truthful hearts that, renewed in Jesus, may love again, creating in this way a bridge of peace between Heaven and Earth, uniting the Divine Spirit of God with the little spirit of each one of My children.

Dear children, a path for your hearts to be healed is to imitate the little and Divine Child Jesus who, with His purity and innocence, transmitted the essence of True Love to humanity. The little Child Jesus left upon this world the Spirit of the Love of God through His surrender for each one of you.

This is the love that I want My children to cultivate in their hearts; this is the love that emanates from the Sacred Heart constantly. It is the love that Jesus gives without tiring, such a compassionate love. He Himself consecrated each one of you to the essence of the Love of My Immaculate Heart.

I reiterate, My children, that when I talk to you about being little children, it is so that with this attitude you may purify the rage that is lived in the world. If you renewed yourselves in the spirit of love, humanity would be able to receive the Grace of Compassion.

Dear children, as a Mediator I call you to pray, to pray for peace in the mind and in the heart of each one of My children. I will, once again, be grateful for your responsiveness to the Plans of the Creator.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
