DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

In the end, the war and the persecution of humanity will finish when the majority of the men and women of the world repent from the heart and confess to God all of their sins. Until this happens My Immaculate Heart will not triumph.

For this I lovingly ask all of My children that listen to Me and that answer to My designs to continue to pray, so that peace will not only be reached, but also so that peace will not disappear from the human heart.

Every material war is a consequence of a spiritual and involutionary conflict; every war between humans and between nations is fomented by pride and by power that time and again attempt to defeat the human civilization.

For this, children of Mine, raising My hands to Heaven in sign of prayer and of piety, I implore to each one of you, creatures of the Earth, that you transform your arrogance into love, that you exchange your wrath for peace. Thus, in little time, the Father will have in His sight enough examples and testimonies for the world to receive a great amnesty and not to self-destroy.

Be one with your guardian angels. Be one consciousness, one mind and one heart in the times to come. In an extraordinary way, the Sacred Hearts are gathered in prayer in the Celestial Universe for all of you and for the whole project of the Earth.

I need, dear children, that you become conscious of what that means for these times of spiritual Armageddon. May your hearts be very united to Mine so that no force contrary to the Light of God will continue dominating the planetary consciousness.

I ask all of the praying beings of the world for an answer for all of humanity, that must be immediate enough before the Celestial Universe of Your Father.

The great abyss that once was seen by John the Apostle is already being opened. In truth, dear children, no one could ever interpret well the Book of Revelations. There has not been any erudite or religious person that has achieved it, and this is so because the symbols reveal themselves as a message by means of the heart.

In face of the lack of truly understanding that these are no longer normal times, but rather Apocalyptic moments, dear children, under the divine authority that has been entrusted to Me through the full state of My Grace, I will be assisting you in interpreting each one of the signs of the Apocalypse.

Many will be opposed in the face of this, but when Your Heavenly Mother, who comes from the Greater Universe begins to speak, everything will occur as it was seen by John.

No longer believe that all that is being prophesized will happen in another moment of humanity; the race is gravely condemned to a severe Final Judgment and the angels have been preparing themselves for a long time for this moment.

But finally the Immaculate Heart will triumph in the life of all those who will have transformed and redeemed themselves, giving thus space to the powerful divine intervention that is given at this time.

Dear children, while the hands of the clock indicate the passage of time, all is precipitated quickly. This is the cause of so many guidelines and requests for prayer. Your offerings will be lovingly welcome.

The Americas will have to face the greatest oppression in order to materialize the project of the Promised Earth, for this your spirits are summoned by Me.

I thank you for embracing My call with faith!

Who shelters you in face of the times of spiritual battle,

Your Mother Mary, Rose of Peace
