**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???**

The times of purification are promising deep changes for all as long as from now on there may exist enough openness to carry out these changes.

Therefore, Your Heavenly Mother descends to the world to teach you this path, this path of purification, which is so necessary to be fulfilled. In all this journey you will find the roots that will always deviate the souls from the path of God.

With braveness and joy for living this transformation, dear children, I wish every day for you to learn to walk through this pathway that will lead you to strive to banish the currents which have always led to the great failure of humanity.

As Your Mother who loves you and who longs for the best in each one, I encourage you to discover without fear or suffering everything inside of you which has come to the time to die. For this you count on the plenitude of My prayers and of My Graces, states that allow to conduct the few flocks of Christ in these times.

Dear children, unite through this moment, I know it is difficult but it is not impossible. Constant renunciation and acceptance will help you to keep yourselves in the path of this so expected transformation. Do not forget that I am with you and that I pray every day so that the 144,000 new apostles of Christ may awaken from this Earthly dream and enter in the true final work.

I thank you for answering My call!

Who blesses you under the Light of the Holy Spirit,

Your Mother Mary, Rose of Peace
