DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My only and eternal aspiration is that all My children enter the Kingdom of My Immaculate Heart so that each one of your lives may see the Light of the Face of God on humanity.

Dear children,

Today I call you to remain in the aspiration of being in the Eternal Kingdom of paradise and in the Kingdom of the Merciful Light of My Son.

With your aspiration to the Highest, through the prayer of the heart, your eyes will open to the call for peace and your hearts will remember that each moment of prayer is unique in this final time.

In this way, My children, I am calling you to the permanent act of the reparation of the Heart of God that is highly assaulted by the offenses committed by humanity day by day. And these offenses compromise the path of the heart of many of My children who are distant from God. This distance happens from not recognizing the only and True Love of the Creator.

As I have told you, we are in a time of emergency in which there is a need for continuous prayer. Place your thoughts in the Highest, in the Divine, in the Celestial Dwellings of God, because this is also a way of praying with the spirit.

My children, the more that prayer flows from your lips, the greater will be the possibility of the coming of Grace, of Mercy and of Redemption.

Dear children, know that in all this praying journey, the Light of My Immaculate Heart is over your hearts; therefore, walk together towards the Light of the Redeemer. Christ awaits you as ardent missionaries of His loving Peace.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
