DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I am the Lady clothed and surrounded with the Light of the Great Sun.

I am the Immaculate Spirit guided by the wisdom of the Holy Spirit.

I am the Mother of the Universe, I am the Queen of Peace.

I am the emanation of Love, of Unity and of Faith for all My children.

I am the refuge for those who are alone, I am the morning that awakens in each one of the lives.

I am the Morning Star, I am the Aurora that gathers the flocks of Christ.

I am the Immaculate Conception that brings comfort for the desperate, Love for the dispossessed, Faith for the lonely and Redemption for those who have denied God.

I am the bridge to the Heights, I am the Mother of the Perpetual Prayer of God.

I am part of the Divine Word, I am the testimony of the Creator.

I am His Servant, I am His Server. I am part of His Light for the world.

Dear children, I am the Mother of the Divine Conception of the Trinity, I am for you the New Flower, I am the subtle Scent from the Fount of God.

I am the Mother of the Redeemer, I am the Servant of Christ. I am, for My children, the fountain that heals the wounds, I am the Blessed and Immaculate Heart.

I am the Mystic Rose, I am the Spirit of Peace.

But I will be even more, upon this world and in the universe, through your love, your compassion and your humility.

My children, today I invite you to be part of the Great Spirit of God. I invite you to live in the Heart of the Most High so that humility, sacred devotion and reverence may be able to be born from your tiny souls.

In you I will be the Mother of Graces. United to My Motherhood you will be united to the Eternal Father who conducts each soul, each one of My little children.

Dear children, may from your essences spring the wisdom to understand with the heart who, for Love and Grace, visits you month by month.

Just as I want to be with you, My Son wants to be part of your beings.

What greater Love is there if not the one that is born perpetually from God?

Dear children, today I am calling you to contemplate the immensity and the magnitude, the greatness and the universal expansion of the Love of God over all the universes.

Dear children, today I tell you and I remind you that each one of you is part of the divine expression of the Love of God, because through prayer you will allow the Love of the Creator to be born and to awaken in you in this defining time.

Today, only be Love, Divine Love and Immaculate Love. Today, only be peace, souls in the Peace of God and serve God with joy.

Blessed are the humble and those who persevere in My Son, because they will find the Kingdom of God in the heart.

I am the Mother of the Most Holy Heart of the Creator; as a part of Love, I love you and I bless you in the unity of the Holy Spirit.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
