SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear Children,

With the growing world crisis of the refugees from the Middle East, I would like to reveal to you that all this must balance itself, not only for those who suffer the consequences of a long exile, but also for those who cause the conflicts and the wars.

The nations gestate a third world war which might be worse and more serious than the last two ones. In truth, children of Mine, humankind has learned how to self-destroy and how to destroy life. That is why these last months I have come from Heaven to try to awaken you to a reality that goes beyond the material plane and which encompasses the whole spiritual plane of the planet.

This migratory crisis is generating the action of Superior Laws in a precipitate way all over the world, after all the warnings that have been communicated so that nothing would happen, and none was heard. This will awaken a severe purification process in several regions of the planet through the elements of nature.

Those who can, reinforce fasting on Tuesdays and Saturdays, because through fasting the natural laws can change. Those who can only pray, do not lose the sense of the purpose of prayer and reinforce the work with the praying word in the groups, with the heart and in deep concentration.

As the Mother of Peace I announce a time that few want to understand, in which the true meaning of things will be present. Humanity is not prepared to face a great change or a deep purification.

While you have time, forgive and love yourselves truly; do not waste time in wondering which of you is right, that does not matter. The degree of responsibility before God will not matter in the most severe moments.

Be at once and forever what Christ needs from you: apostles in times of Armageddon. Unite yourselves and do not separate by your differences or your instructions, you are all equal before the Eyes of God. If you are on this planet, it is because you must still serve it fraternally.

Do not destroy even more what humanity has destroyed before the Universe through this migratory crisis. Humankind has closed its heart to God and has forgotten that their

brothers and sisters are souls that feel and live.

Which one of you will work so as to revert everything?

Abandon the pettiness of your experiences and put your consciousnesses before the true reality. We are here to help you. Let us walk together towards the same purpose, which will be to turn this ill humanity into something sacred.

I hope, My children, that you have understood Me.

I thank you for answering to My call!

Who awakens you to the truth,

Your Mother Mary, Rose of Peace
