DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Dear children,

This coming Christmas, I wish for the spirit of reconciliation with God to be established in your hearts, so that the act of constant reconciliation with one another is not lost in the world, thus attracting the spirit of Peace.

This will help register, within your memories, a moment of reconciliation and forgiveness; this will allow you to never forget the essence of the love that can do all. Be patient with your own difficulties.

This upcoming Christmas, may souls experience the Birth of My Son, as something truthful and deep. In this way, dear children, your hearts will become receptacles that are prepared to receive the same codes of light that the Sacred Family received in those times, from all the angels of the universe, when they gathered around the Sacred Birth of Jesus.

My children, as Your Mother and Protector of the spiritual life, I wish that each one of your essences start, from now on, preparing to be able to spiritually enter into the manger of Your Lord. For this, may your daily acts no longer be of conflict or disagreement, may your gestures and actions be permeated by the Love of God.

Remember, dear children, that in this month of December, the month of the Lord Jesus, the families will be the perfect motive for the work that is spiritual and of unity among beings.

The war is not over yet, and together we must make possible the prevalence of the values that make of the family of Earth a hoped for model of consecration and spiritual life.

For all this, the Sacred Hearts will work, in this month of December, for the realization of the project of the new family, which in essence and consciousness will repopulate the New Earth.

I thank you for responding to My call!

In prayer and preparation for the birthday of the King,

Who greets you,

Your Mother Mary, Rose of Peace
