DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children,

May peace reign in times of purification. May transcendence of all of your beings predominate in times of consecration, always with the help of the Beloved Jesus; He will show you the blessed path for your lives to finally find the internal union with the Kingdom of God.

Dear children, may all the diseased be consoled through the ray of My maternal healing, may the deep wounds of the consciousness be healed through the blessed love delivered to you by My Heart. Blessed are those who suffer for humanity and who help the Plan to be fulfilled in spite of the times of adversity.

Dear children, I am calling the new apostles of My Son to fulfill the part of the Plan of salvation that the Lord needs to accomplish, such as it was with other consciousnesses who sanctified their lives in the past.

Every day, lovingly I come to show you the path to the consecration to God, a deep surrender which will be performed on behalf of all those souls that, having a commitment to Christ, have moved away from the true purpose.

I show you in this hour the sacred path towards the Purpose. I call you to be cooperators of this important Plan of Redemption, which is guided by Christ, Your Lord.

I thank you for answering My call!

Who blesses you and heals you spiritually,

Your Mother Mary, Rose of Peace
