DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PIEDRAS, CANELONES, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

My hands untie the knots of perdition and evil. Together with My angels of Heaven, I untie everything that has been tied for a very long time, and that is possible because of the humble prayers that you offer to My Holy and Immaculate Heart.

I wish in this time that more children be consecrated to My Heart, to My universal shelter of protection and light, a divine place in which no harm can reign or prevail.

Dear children, today I have come from Heaven to untie again the knots of the consciousness, with the hope that the souls will be awakened to My call for peace and redemption.

Dear children, I am the purest model that offers itself before the universe in order to help you to walk in the Faith and in the Love of God.

Children, in confidence open to Me the door of your hearts for Christ to reign, and that in Christ and through Christ the Peace may reign, the Peace of the Lord. Keep praying with Me. I will not separate Myself from you; I will always show you the path to the true life, so that one day you may reach the purpose of beholding your spiritual mission.

Children, I am with you every day. I love you and thank you.

Who blesses you under the Universal Light of God,

Your Mother Mary, Rose of Peace
