DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Like a flower that opens itself at dawn with the rays of the sun, in this way your hearts can open themselves to the conversion into beauty and love. One only needs a single requirement in order to live it and fulfill it: that every day you be persistent, and have faith in that which you will achieve.

In this way, children, your impurities will be purified and your senses will be consecrated to the Divine Laws. Live, then, the meaning of a new life, redeemed in the name of love and of mercy.

But while you walk in conversion do not allow, children, that your hearts be closed by all the challenges that you may live; you are passing through a cycle of transition, and it is there where peace must play its principle part in the critical times.

Children of Mine, I am your Mother and I accompany you to the sacred temple of the heart, in which My Son lives in perpetual communion within the souls of the world. Repair your lives every day; feel the eternal joy of being redeemed by the Love of Christ. In this way you will build the new consciousness, redeemed and forgiven by the Son of God

Dear children, the times that are approaching the planet will indicate to you moments of purification, but also a cycle of conversion and of the ultimate Mercy. Now is the moment to unite yourself to My Beloved Son, letting Him transfigure you so that the new model of redemption and of peace may emerge, the new wineskin of the heart redeemed by Christ.

Your Mother congregates you in prayer so that all may be possible.

I thank you for answering My call!

Who conducts you through the path of conversion and of peace,

Your Mother Mary, Rose of Peace
