DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

The School of Humility of the Virgin Mary

Dear children,

Every day I offer you My simple humility for you to incarnate it in your spirits and to be able to find your own inner humility. I give you this impulse so that you may decide to discover this attribute of salvation, which has become very forgotten in recent times.

Dear children, during this time of planetary crisis, God needs a greater number of humble hearts so that the whole Earth may be repopulated with the attributes which may revert all the evils that have been generated by humanity.

Dear children, this is how God will ask the brave ones to become conscious and face all the aspects of human life, those that act against the evolution of the attributes of the Universal Mother. For this, beloved children, you will have to invoke the holy spirit of humility every day so that it may protect you from yourselves and from all tests.

My children, finally, it will be through the power of My holy humility, the Humility of God, that your hearts will be able to take such expected steps and thus evil will be removed from this arrogant planet.

Dear children, humanity has disfigured the true mission and conception of this planet. That is why you, as seekers of holy humility, not only will help the world and yourselves, but this will also reflect within all hearts that have already condemned themselves due to lack of humility.

I lovingly encourage you to walk in faith and to persevere.

In My school of humility, divine Purposes exist, that conduct you towards the goal of inner divestment. Walk towards this task.

I thank you for responding to My call!

From the school of humility, Who blesses you,

Your Mother, Mary, Rose of Peace
