DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF CALI, VALLE DEL CAUCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

The struggle between peoples for equality of conditions is the result of a national situation in Colombia.

In the search for harmony and peace, Your Heavenly Mother comes to this country to reopen the doors of fraternity and brotherhood that have been closed for some time.

Dear children, may you discover in the inner silence how much there is to be done here through the very powerful channel of prayer that must be offered so that all may be balanced within and outside of human beings.

My children, for this I will need your lives so that at least a little of My Grace may be poured out. I will need of your lives so that a little of suffering and of injustice may be transmuted. I will need your prayers, so that something may be liberated, and the captivity of the indigenous consciousness comes to an end.

Dear children, Colombia is a nation in great need of love; however, in the hearts of My children of Colombia there is the potential to love, which through the centuries has been stifled, and this possibility of loving must spring again like a source of forgiveness and of reconciliation.

My children, I need you to be brave and willing to accompany Me in this task of reconciliation that is needed for this whole nation.

I am with you and do not stop even for a second walking beside you.

I thank you for answering My call!

Who enfolds you in the mantle of Peace,

Your Mother Mary, Rose of Peace
