**MONTHLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Saint Joseph appeared with a censer in His right hand and with a staff in His left hand, making a prayer and asking us to start writing down. While He prayed, by His right and His left sides would pass souls that were being rescued from Africa and from the Middle East. Then, He transmitted the following devotional:

Devotional of Saint Joseph, so that all of the souls of the world will receive Forgiveness

To be prayed, above all, for Asia and Africa

Lord, may Your infinite Mercy be poured upon
the souls of the world
and may they be forgiven
by the strength of Your Divine Love.
Under the intercession of Saint Joseph,
we clamor to You.
Amen.

This is a prayer that I transmit to the world, so that all beings are able to receive the Grace of being intermediaries between God and humanity, and so that, through the devotion of the hearts, all souls of this world may receive the opportunity of being forgiven and rescued by the merciful Spirit of the Father.

My dears, I want to teach you to be missionaries by means of prayer also, which crosses the spaces and reaches all the continents of this world; whose power heals and redeems all of the Kingdoms of Nature, without distinction.

I want you to learn to be missionaries also in your hearts, and to cross the boundaries that separate you as humanity, because for the Heart of the Father, your hearts are represented by a single human heart that must begin to pulsate to the rhythm of the Divine Creation of the Most Sacred Heart of God.

Missionaries are those who fulfill their mission before God and who assist Him so that other souls may awake to their own mission.

Missionaries are those who dissolve the barriers, the limits, and through the love that is born in their hearts, are bearers of God for all the creatures.

If you aspire to serve and to live a life of absolute service and charity, begin by discovering that the greatest of services is found in the transformation of yourselves into an instrument of God. The greatest service is found in awakening first your own spirit for the Divine Love, and in this way you will be able to bring the Heart of the Father in all acts of life. Your lives will be turned into a permanent act of charity and of service.

My dears, begin by the most simple things in life; with the small deeds, with transparency, with humility; in this way you will be constructing within your hearts a fortress to be used by the Creator in order to dwell among humankind.

Each one of the attributes that I have given to you along this period in which I have been with you is a brick of this construction that, at the request of the Celestial Father, I am accomplishing in all those who open themselves from their heart.

Each one of the keys that I have handed to you opens the same door. If you engage yourselves in living one of these attributes, you will advance towards experiencing all. For this reason I have given you so many ways of travelling this pathway, so that each one, according to their own possibilities, be able to open the door that will make them meet with God and fulfill His Divine Plan of Love.

Do not waste the words of Those who, in humility, come to your assistance, but rather, with care, seek that they will become life in your beings.

I leave to you today My Love and My Peace, and I ask you to accompany Me in prayer for all those who are in the world being instruments of darkness. That the souls may be forgiven for everything, and that they may again find the path from which they got lost, so that they may return to the Heart of God, to living the Divine Laws.

I wait for you in prayer and in service, in humility and in fraternal and Christic charity.

Saint Joseph, Most Chaste and eternal Server of God
