DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED ON THE BUS EAGLE OF LIGHT, DURING THE TRIP FROM THE CITY OF SAN ESTEBAN, CÓRDOBA, ARGENTINA, TO THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children,

At the doors of the humanitarian service in Turkey, the Missionaries of Peace will continue towards the attendance of new spiritual, social and moral needs; all of them will be covered through fraternal love.

Es así, queridos hijos, que Vuestra Madre Celeste está en este momento trabajando en unión a los misioneros con grupos de almas especiales, las que desde el principio de sus vidas esperaban una ayuda espiritual mayor.

Thus, dear children, Your Heavenly Mother is in this moment working in union with the Missionaries of Peace with groups of special souls, which from the beginning of their lives have waited for a bigger spiritual help.

See, My children, how the true humanitarian service, without profits nor personal advantages from any part, the service from the heart, reaches the deepest of the spirit of each being.

The Mother of the World encourages the Missionaries of Peace so that they may reach the same degree of donation and surrender that My beloved Son lived. Along this path of absolute and abnegate donation from the children of God, the celestial doors remain open and these are the internal doors that indicate to the servers the next place of service.

When prayer is also filled by service and faith, dear children, the doors of the Law of Manifestation and of Absence of Need open themselves and the spirit of providence transforms the spiritual and material poverty of the consciousnesses.

Service is a gift, but at the same time it is a mystery that presents itself in the life of people so that they may be encouraged to transcend themselves and above all so that in the service to the neighbor true love be lived.

The Mission of Peace in the Middle East, in this moment, is permitting that the souls with different creeds recover through some path their intimate filiation with the Celestial Father. When this filiation and feeling of belongingness to the Divine are recovered, the suffering soul in need gains inner strength to move ahead and thus to

advance in the name of God.

The religions in this moment will become a point of conflict for humanity, because as it has been so far, the faith and trust of the poor souls in the Lord will be at stake. This faith and this testimony of each child of the Middle East have permitted the Heavenly Hierarchy to send the servers of the Plan from the Americas on a humanitarian mission.

This clamor from the suffering hearts has also permitted, dear children, the humanitarian missions to expand throughout the whole Middle East, over the Arabian countries.

Through service, the flame of the Love of God will never go out because service keeps alive the soul that donates itself without interests or complaints; thus through the service of My children My Immaculate Heart will also triumph.

I thank you for answering My call!

Who encourages you to constant self-donation,

Your Mother Mary, Rose of Peace and Mother of the refugees
