**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???**

Dear children,

In these times of chaos and war in the world, may your hearts be able to live in the Spirit of My Peace, thus I will have where to deposit My divine gifts, those which will reorganize all the Earth.

For these difficult times that all are facing, may your loving care of elevating yourself to Heaven and staying there be permanent so that in this way My Son finds safe internal shelters where He can act and be present in this time of intense transition.

Dear children, may your eyes remain looking into Mine, so that through the celestial gaze of Your Mother you feel peace and serenity to move ahead until the Project of the Creator is fulfilled in this race.

Dear children, in the time of your purification, may prayer together with the internal union with Christ be the master key with which a new principle of brotherhood and light will be able to be established for the world.

My children, when you open your eyes to look at Me, receive from My Spirit the joy and the holy plenitude of serving God in spite of the crucial times.

Willing to live a sacred transformation, dear children, I leave to you the divine impulse so that day by day you persist through faith, and your souls finally accomplish the task that in this time you have come to fulfill.

Today I am with those most in need of spiritual support, I am with all My children.

I thank you for answering My call!

Peace and Light for all,

Your Mother Mary, Rose of Peace
