**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE
REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE
VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????**

With your heads to the ground, dear children, let us ask for the descent of a Celestial Grace that, at this time, can reverse the unjust causes of this great exile of the souls of the world.

Many search for where to go, but many doors are closing at each step; this saddens the heart of each one of the refugees, and they find no meaning in life.

I would like to know if the Europeans have understood the parables of Jesus, when My Son told them that the one they fed, the one they visited or gave a place to rest, would be Him that they would be receiving.

Do you believe this?

If this reality of millions of refugees takes place in their lands, it is because the time has come for you to truly practice fraternity and the science of peace. Nothing which we ask of you is a mystery.

Dear children, this is a part of an Apocalypse that many do not want to accept and want to evade all suffering or inconvenience.

Through the refugees will you not be finding again the true spiritual family?

Be as Jesus, and accept those who are abandoned, because their spirits were also abandoned and My Son gave them refuge.

It is time to become aware of the place you have and which many who are forsaken yearn to deserve one day: to be in the Heart of the Celestial Hierarchy.

In consciousness and humility, I ask you, children of Europe: do your part, you are in time!

I thank you for answering My call!

Who loves you,

Your Mother Mary, Rose of Peace and Mother of Refugees
