DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BRASILIA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

In times of spiritual battle, may peace be established and may the new apostles of My Son transcend the barriers of world oppression.

The time has come for the souls to awaken and Christify themselves no matter the cost this means, because the true consciousness of humanity must awaken at the last hour.

May the doors to the hells be closed and may the brave hold up the banner of peace so that the exiled by evil find again the meaning of having been born to life.

Nothing will stay in its place; hence the soldiers will be the focus so that everything may be transmuted. The offer from these will be the great key that will open the door to the redemption of humanity.

Those who persevere will be crowned for their sacrifice, made through the times, and will be seated at the table of the Great King Jesus.

I thank you for answering My call!

Who conducts you in this final time,

Your Mother Mary, Rose of Peace
