DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children,

The pain of the world is the consequence of the lack of fraternal love between brothers and sisters. It is this love that I hope to gestate in the hearts that separate themselves from God and from His Celestial Kingdom.

Dear children, in these times, suffering is provoked by the lack of brotherhood and unity between the souls that were created by the same God of the Heights.

In these moments the hearts are getting lost easily in all that is superficial and vulgar. Because of this, children of Mine, I tirelessly come from Heaven every day so that the consciences find the codes of peace and the principles of the new humanity that are based in unity and love.

Dear children, may your spirits not lose the Grace of belonging to God the Father during the cycles of battle. This is why your Heavenly Mother comes from Heaven to bring you each moment the spiritual values that will reconstruct Earth; values that are being lost every day, and in consequence, the consciences even forget the meaning for being here.

While you are tired, do not give up, receive from My Heart the comfort you need in order to reopen the doors towards the victory of Light.

My children, only seek today to be in peace and in silence, thus you will perceive that you are not alone, that you are with Your Mother, walking towards the meeting with the Lord and the Universe of His Mercy.

I thank you for answering to My Call!

Who deeply heals you through the Spirit of Grace,

Your Mother Mary, Rose of Peace
