DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children,

As a Mother, Help of all Christians, I come on this day to the world so that the souls awaken in conscience before all that still happens in this humanity.

On the eve of the beginning of a new year of definitions and tests I ask all My praying children for enough consciousness of prayer, of inner work and of transformation in order to help the planet and its indifferent and non-believer humanity, so that when all these souls face their harsh purification they have enough inner strength to face the changes that will come to the entire world.

My children, I need from you a permanent adherence to the work of prayer, since your constant connection with the Heights will allow the events to be lighter for everyone, above all for those who have sinned the most in the last times.

While this is about to happen, Heaven is choosing spiritually some souls to render the service of purification and transmutation of other souls, seeking especially to relieve the planet which is burdened by darkness and disharmony.

My Son will call in the inner planes those who will serve Him for some time, this will avoid many things because the need for help and healing is great.

Let us continue praying from the heart.

I thank you for answering My call!

Who helps you,

Your Mother Mary, Rose of Peace
