**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES,
TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE
VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????**

Dear children,

In the most important stage of the mission in Turkey and after having gone through experiences which have left strong marks in their consciousness, from now until the end of the mission, the missionaries will be able to make a deep synthesis and group reflection on all they have seen as the result of a great human calamity.

It will be at the end of the first mission to the Middle East that the missionaries of peace will carry in their hearts an indelible experience which will strengthen them so that in the near future they will be prepared to help in the most serious situations on the planet, situations that will go further than civil and regional war.

Dear children, for this reason it will always be indispensable that the praying ones support with devotion all the humanitarian missions because, in the name of everyone and all of this indifferent humanity, one group is taking a step towards the life of total service and absolute surrender to Divine Will.

My children, as well as Christ lived His great mission in the public life, you, dear missionary children, will live surrender even in the smallest details; in this way you will demonstrate to God, as you have done so far, that in truth the project for the redemption of the humanity will be able to be fulfilled.

I thank you for always answering My call!

Who loves you and protects you,

Your Mother Mary, Rose of Peace and Mother of the refugees
