**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES,
TRANSMITTED IN THE MARIAN CENTER OF AURORA TO THE VISIONARY FRIAR ELÍAS DEL
SAGRADO CORAZÓN??????**

As the smoke of the sacred incense that exorcises darkness, the clouds of Heaven on which My feet alight exorcise the creations of evil and I establish the Kingdom of Light where it did not exist before.

In this war of end of time, dear children, there is nothing that can oppose the light of the Mother of the Sun, because if it did it would burn due to the intensity of the solar impulse which the divine fire holds.

My children, the angelic tools will always be available to the missionaries and the soldiers of peace so that, seeming nothingness, they emerge and are able to defend themselves from all evil.

The Armageddon already surrounds the planet and very few are willing to accept that the times have changed; resistance to change, even if in part, affects the whole which is the present world, and delays the steps that the majority must take.

Once more I tell you, in this final battle for the spiritual conquest of the next kingdom there can be no interference of any kind because if it were like this the consciousnesses would not be prepared to endure the expected purification of the planet.

Through the humanitarian service and the donation of love, may the false kingdoms created in the great regions continue being deactivated, kingdoms that exist to terrorize the consciousnesses and separate them from God.

True victory will be in those who persevere with the heart. My Son will never leave you alone when among the hearts there is certainty and absolute faith that Jesus dwells and lives in each human heart. This cannot be taken away by anyone or any weapon of physical or spiritual extermination.

The Love of Christ that lives in the hearts is the Love of the Father that embraces you and guides you to the final goal. Today I speak to you of the refugees, your brothers and sisters, who persevere until the end in the sacred hope that someday they will find the Promised Land, after a long exile.

I thank you for answering My call!

Who unites you to the Heart of the Celestial Father,

Your Mother Mary, Rose of Peace and Mother of the refugees
