DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??????

Dear children of Mine,

Through the humanitarian mission in Turkey, a new kingdom is being built in the heart of the people who have been lovingly sheltered by My missionaries of peace.

This means the triumph, at this moment, of the spiritual life and of love in the existence of millions of people. Thus, children of Mine, you will comprehend that by fully living the selfless service, the doors of the Heavens will always remain open for those hearts that need redemption.

Now, dear missionary children, that you have learnt to perceive the human condition, may your arms be even more open to shelter spiritually in the Heart of the Divine Messengers those who expect to feel truly loved.

The humanitarian mission in the Middle East has reached an unparalleled spiritual repercussion because in all of this task of service and of Christic love you had always to work in order to surpass yourselves in behalf of each consciousness of the Middle East, in behalf of those who live the oppression of an armed war in their own flesh.

Dear children, Your Heavenly Mother accompanies you in this last spiritual stage, in which more codes of redemption, of mercy and of forgiveness will be sown in more hearts.

Children of Mine, all of this task has not only had repercussion on your through the mission, but also on your brothers and sisters of the communities, especially of the Marian Center of Aurora which has been the depositary of certain currents which had to be liberated. This is a difficult and hard reality that very few are willing to live at any time and with no time limitation for the spiritual salvation of humanity.

The work of the Heavenly Hierarchy is broader than what it seems and it is not restricted to one region of the planet where one serves, but also to planes of consciousness which during the humanitarian missions are supported by the Marian Centers founded by the Mother of Heaven.

I thank you for answering My call!

Who unites you to the Source of Love,

Your Mother Mary, Rose of Peace and Mother of the refugees
