**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES,
TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL
SAGRADO CORAZÓN??????**

Dear children,

With effort and love, let us move forward, walking confidently towards the Lord Who waits for us with His paternal embrace and His infinite great Love.

My request for each one of the missionaries of peace is that they encourage themselves more each day to embrace that cross that God is giving them so that, through the sacrifice and the love for His Greater Kingdom, the works of salvation and of redemption be fulfilled in this time.

In this way, My children, you will not be far from the Will of the Father, that which you must first love and then come to know within yourselves. By loving this Divine Will, dear children, you will be able to embrace the cross of complete surrender and absolute sacrifice for the new humanity so that the new seeds that will blossom in the coming time thus be born.

My dear missionaries, there is nothing at this time that is out of place or space; everything is part of an unknown law that many servers must come to know at some point; it is the law of renunciation, something that does not exist in the consciousness of human beings. It is a principle that was taught by My own Son during the Agony and during the Passion.

Renunciation breaks the structures that have always been based on criticism, on indifference and on unending error.

Through service and loving attention to your fellow beings, renunciation gives a form of atonement that balances many errors committed.

Dear children, the school of renunciation is the principle and the command of the missionaries of Christ, of those who are in the service of fraternal charity.

I thank you for answering My call!

Who awakens you to the new patterns of behavior,

Your Mother Mary, Rose of Peace and Mother of refugees
