**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES,
TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL
SAGRADO CORAZÓN??????**

My dear children,

At this stage of the humanitarian mission in Turkey, in which you come to know the inner sorrows and the deepest sufferings of the souls, it is time to place all your missionary experience in your heart, and thus confirm within each one of you that the presence of the suffering Christ in your fellow beings is real and authentic.

Dear children, My Son also shows Himself in the faces of the brothers and sisters who have experienced atrocities and tests that carried them into exile from their country of origin.

My children, at this stage of the mission, in which armed conflicts are escalating, I only ask that you feel God and think of God. The Universe will shelter you in this last part of the mission, where a result will become defined in each one of you, an inner experience that will help to mature within you the next steps.

My Immaculate and Maternal Heart gives shelter to each of your refugee brothers and sisters, so that at least one drop of hope can be placed in the spirits terrified and martyred by the wars.

Dear children, all will come to an end, but we cannot say what it will be. The time points to a profound union with God, so that Divine Will may manifest in the life of each one. This will lead you to live the path that, after this humanitarian mission, will be proposed for the life of each one of My missionaries.

With joy, promptness and love the brothers and sisters of the Figueira Community will be waiting for you to begin the cycle of your recovery after this mission.

In the month of March, dear children, you will enter into the spirit of the General Meeting where new opportunities will be presented for all.

I thank you for answering My call!

Who blesses you from Heaven,

Your Mother Mary, Rose of Peace and Mother of refugees
