**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES,
TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL
SAGRADO CORAZÓN??????**

Dear children,

At this moment Ankara is the main focus of My adversary, but do not fear this because the power of the prayer of the heart closes all uncertain doors.

The fraternal work that Turkey is carrying out in assisting the refugees of the Middle East, and the fruits of charity that this work gives, cause the heart of the adversary to shudder because once again the Love of God triumphs.

In spite of the last attempts taking place in Ankara, where once again innocent souls suffered the loss of their lives, the triumph of the love and service of the missionaries and of the servers of the Turkish association, through stillness and calm, spiritually allowed these souls to also be sheltered by the angels of Heaven.

God expects this persecution and evil to end before the definite justice of Heaven comes; that human beings at least become aware of all that they are destroying in planetary life and in the Kingdoms of Nature. This is why all humanity has left is to pray and pray with their hearts, pronouncing each word with fervor and with the aspiration that all wars end soon.

As I once said in Fátima, the guerillas will become tired of fighting, chaos will no longer be able to oppose war¹ at the moment when the hearts of the world decree before the Universe that they do not want war, only peace.

The adversary does not rest, but even though its plans are being fulfilled, they are becoming weaker because they are false plans, and in the end, the Immaculate Heart of Mary, the Love of the Mother of the World, will triumph through all the souls in the Middle East that offer their lives to the service and the rescue of those persecuted and those that are hurt.

The victory of the Kingdom of God will first be seen in the simple hearts of those who give of themselves; in them the gaze of Christ will be reflected.

May the humanitarian works continue; it is time to serve humanity for its salvation, for the descent of Divine and Inexhaustible Mercy.

I thank you for answering My call!

Who blesses and guides you,

Your Mother Mary, Rose of Peace and Mother of refugees

¹In these final times the forces of chaos and evil battle between each other.
