

Prayer of the Divine Faith

*This is a prayer to be recited every day,
with the mission of strengthening faith in the heart for the end of these times.*

May my little heart
be invaded by the Faith of Jesus.

May Christ unite my heart
with the Source of Divine Faith.

In the Love of the Universal Mother,
may I find the light that illuminates the paths.

May the Holy Spirit
be the guardian of the mission that God has entrusted to me.

May the Divine Faith be the shield and temperance
that guide the journey of each soul.

Because, in the Love of God, I will find strength,
and the Divine Faith will be the guiding star
so that I may reach redemption and eternity.

May the Faith of the Father,
the Son and the Holy Spirit
spread as hope
for those who need it.

Amen.
