DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children,

The art of My adversary may leave you tired or defeated because of so much praying, but know that never will the Love of My Son stop being present in the heart of the one who cries out for Him.

In this crucial time when humanity is defying the hand of destiny, I ask you to offer each situation for the full triumph of the Project of the Creator for this still unredeemed race.

Dear children, at this moment Your Heavenly Mother is finalizing the first stage of the mission in Turkey, where many experiences and inner growth happened so that all, as one mind and one heart, could grow.

The mission that was carried out in Turkey in these last times has left doors well open for Christic charity, and above all, for peace to be re-established in the hearts that cry out. This was possible because the missionary heart is one alone, and responds to the commands of Heaven.

Dear children, while millions of souls in the Middle East are trying to escape from planetary horror and from war, know that the opportunity for liberation and mercy that they received through this mission meant the permanent offer for transmutation of the psychic maladjustments and of the precipitate actions that are causing to a change in the destiny of many families.

My children, in this hour may your feet be firmly on the path of My Son, in this way you will be invisible and will be protected from any wile of the adversary.

We are already working with all beings of goodwill so that the involutory kingdom may be banished from the human consciousness, and above all, so that the meaning of living in this world and with this humanity can be re-established.

Everything must be re-built, but first hearts will be purified so that they do not miss the opportunity of being reborn to higher life.

I thank you for responding to My call!

Who maternally uplifts you to the Universe,

Your Mother Mary, Rose of Peace and Mother of refugees
