DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children,

The times ahead will be times of purification, although also in an extraordinary way, they will be times of Grace. I hope that each one of you, after coming to know the work of My Immaculate Heart, will feel encouraged to fully trust in this Mystery born from My Motherly Spirit.

The Grace of God will be the strength; Divine Grace will be what will help this humanity to take the steps so awaited by My Son.

The Grace of God comes from Divine Mercy and it will be full Grace that will defeat all the deadly sins in which humanity is living today in such a dissolute way and with no foundation; they are creations stimulating the perdition of souls on the path of the Purpose.

My children, surrender to the Grace of God on time so that the indomitable strength of original purity can also cause the true principles of the evolution of humanity to grow in your lives.

Do not cease defending your inner unity with Christ, because My adversary will try to destroy it; but if you call for the Grace of Your Heavenly Mother, you will be able to be protected by the invisible mantle of light of the Mother of the World.

Dear children, through the messages I always give you a little of My Grace, that which comforts and supports you in moving forward.

Do not become afraid, the Kingdom of God comes to help those who beg for it. You are not alone.

I thank you for responding My call!

Who takes you to the Source of the Grace of God,

Your Mother Mary, Rose of Peace
