**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????**

As the Lady of Mount Carmel, I come today to renew the consecrated monastic life, because many of My children deviate from the Purpose of God due to the tendencies and inventions of the world.

I come to remind you of the monastic rule and of the importance that the groups of prayer be guardians of these monastic nuclei; thus you will allow the Laws to be fulfilled and hearts to lean on the spirit of prayer.

The consecrated life is the principal column for the support of the planet, and it is followed by all the groups of prayer, which must be the firm pillars so that the spiritual task may be fulfilled.

The priests and the monasteries consecrated to My Son must generate a significant vortex of prayer so that the divine Laws will be established, and that these fill all hearts. The consecrated life throughout the world is one of the points of attack of My adversary; nevertheless, vigilance, discipline, and the training for prayer create the strongest and most resistant walls to any temptation.

Around this rampart, which the monastery itself must build, are the groups of prayer of all the pilgrims; such groups are the spiritual bearers of the Gifts of the Holy Spirit, which allow the generation of a true setting, ready to respond to the Plan of God.

Our Lady of Mount Carmel is the divine protectress of the whole monastic life, the Star of all who must sail on the high sea until they find the harbor, which is Jesus.

I thank you for responding to My call!

Who guides you toward God,

Your Mother Mary, Rose of Peace
