DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Dear children,

I Am the Mother of the refugees because I keep in My Heart all who despair.

My Children, as does Your Heavenly Mother, today I invite you to place in your hearts each of the souls of Syria, who exile themselves into an unpredictable destiny, without refuge and without a place to live.

Dear children, the world has the wherewithal to shelter the abandoned for a long time; if this is not really done, it is through a lack of love in the consciousness and of true charity.

I need you to think every day about these families, and that through them you see the Sacred Family of Nazareth, escaping from the Herod of the current times, and seeking refuge far from human evil and from pride.

Dear children, open the doors of your hearts and reconsider; may the flame of constant sacrifice encourage you to work for peace as soldiers of My Heart.

The wrath of God is still being provoked, and the world has not seen Divine Justice. Because of that, I warn you so that, at least amongst yourselves, as members of the Plan and happy for having received My Grace, you have good attitudes, both fraternal and of unity, among brothers and sisters of a single purpose. If you, who were called by My Heart to live the conversion of life and of heart, do not change your patterns of behavior, no one in humanity will do so, and in the future this will weigh heavily on you, because you were aware.

Be attentive to your attitudes and your human actions; everything is being observed.

Recognize the Grace that you have received and thus see the events that take place in the Middle East. I lovingly ask you to not hinder the Plan, but rather, with a mature look you take the place that has been entrusted to you for this Armageddon; thus you will be ready to wait for the return of Christ in your lives.

I thank you for responding to My call!

Who awakens you to Fraternity,

Your Mother Mary, Rose of Peace
