**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Blessed children,

In response to the urgent call realized yesterday to My children, I announce to those to whom I have appeared for five years as the Blessed Mother of the Divine Conception of the Trinity, that My Beloved Son, Christ Jesus, sends Me today to your hearts to tell you that the Almighty God has observed from His Heart your response to the celestial call of attention.

Dear children, in the face of the urgent necessity of conversion and redemption of all the creatures of God, today I call you to continuous prayer and especially I call you so that, during this whole month, your lives may deepen and may give time to the meditation on each one of the holy Mysteries of the Rosary.

There you will find the keys for the conversion of your hearts that are: peace, surrender, trust in God, charity, forgiveness, the Love of My Son, sacrifice, and the resurrection together with the glorification of Christ.

My children, in this month of the Rosary I want that you especially dedicate yourselves to unite your hearts to each one of the passages of the life of Jesus and of the silent life of My Immaculate Heart.

My little ones, that in this time may awaken in your consciousness the call to Redemption and to the Surrender to God, a call that My voice pronounces day by day by means of the daily messages.

Dear children, under the Grace of God we are now close to the completion of one year, continuous and without interruptions, of daily blessed messages of My Immaculate Heart, of the Queen of Peace, who intends to guide you along the path of Good and Peace in the heart.

After a continuous year of Graces received, today I want that in response to these Graces, you unite your lives to the key teachings of Christ.

For this victorious reason of My Immaculate Heart in each one of your lives I announce to you today in the name of the Merciful Love of Christ Jesus, that on the day of tomorrow, the 21st of October, 2012, My visionary children, will be honoring Me by means of a simple prayer and an internal communion in the Sanctuary of Aparecida, a sanctuary that I love with fondness for the humble expression of faith from all of My pilgrim children of Brazil.

Therefore, dear children, the Honorable ever Virgin Mary, Lady Aparecida of Brazil, invites you and calls all Her children so that together with My children the visionaries, you may realize this simple pilgrimage towards the Sanctuary of Aparecida and that, through the offer to pray fifty beads of the Holy Rosary and of the inner communion with Christ, you may repair My Immaculate Heart.

In response to the events that have happened between you and God, I promise you that whomever participates with a sincere spirit of reconciliation and forgiveness before the Most High, the Mother Mary, Queen of Peace, will radiate the power of Divine Mercy from Heaven, and your lives will be absolved before the Law.

Dear children, I have brought roses in My hands to the throne of God, and the Father of the Source of Love and Compassion has accepted My offering for all of you. This exercise of fraternity that I ask you to realize will allow, once more, that your hearts be clean and pure before God.

Once again, dear children, My Immaculate Heart will triumph!

Thank you for responding to this celestial call.

Mary, Mother of the Divine Conception of the Trinity
