**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

With joy and bliss I place each one of My children in the Celestial Kingdom of God.

Dear children,

Today, let us celebrate from the heart for the coming of the Queen of Peace to Aurora, Her favorite home.

As the Mother of the New Aurora today I give you all My Maternal Blessing and I thank you for responding to My call for peace.

As instruments in the Hands of the Most High, today I invite you to consecrate your dwellings to the Celestial Father. Know, My little ones, that He waits for the love of the pure and true souls, that may want to live in the one Source of Love that forgives and repairs all.

Today I am calling you to be partakers of Divine Mercy through My Immaculate Heart. Dear children, I call you all so that you may take one more step, with absolute trust in the Plans of God.

My children, as the Divine Conception, I ask you to pray so that many of My children in these critical times may also be able to be touched by My inner call. Today, in addition, I remind you that each call to which you respond has worldwide repercussions in this end of times. Each call that is responded from your humble hearts will help in the redemption of humanity through the victorious coming of Christ to Earth.

My soldiers, may your hearts be always ready for everything, for that which God wants in these moments. Know, My little ones, that you are working by means of prayer so that salvation may be possible, even for the souls that are less deserving.

Dear children, I promise you that each prayer that flows with love from your hearts will be heard and responded to under the Highest Will of God.

Dear children, as a mediator between the hearts: thank you for listening to My supplications!

I thank you!

Mary, Mother of the Divine Conception of the Trinity
