**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dearest children from Córdoba and from all of My beloved Argentina,

As the Queen of Peace today I come to your encounter through a Special Apparition of My Immaculate Face.

May this day be glorious, blissful and joyful for all so that we may be together and united to the Celestial Jubilation of God and, through the prayer of the heart, we may say "yes" to the Salvation and Redemption of souls.

Dear children, God the Father has sent Me to the city of Córdoba to give My Great Maternal Blessing and for this reason My Immaculate Heart has heard the loving voice of your prayers and of your call.

When souls say "yes" to the Divine Plan, the events that are written in the book of God change through the intervention of My Immaculate Heart and of the Sacred Heart of My Son. And this happens because you, as so many other souls, live the inner power of prayer.

Therefore, dear children, may your hearts continue to pray, creating new groups of prayer that respond to My requests and thus strengthen the faith in each one of you.

As the Mother of Divine Mercy today I bless you all for this path of faith and devotion that your hearts are living in honor of the Lady of the Immaculate Peace.

My children, My Message is reaching everyone throughout the world. Today I also ask you that your hearts be faithful propagators of My message and of My call, because many souls that have distanced themselves from God must begin to pray again and many souls that do not know the Love of God must feel the Celestial Father in the depths of their hearts.

Dear children, in order for this to happen, your faithful prayer must continue every day and thus open the heart to receive those who are in most need of God.

Dear children from Córdoba and from the sister provinces, today I invite you to participate in the new life of the spirit through the selfless service to the Plan of God. Therefore all the groups of prayer from Argentina are called to collaborate for love in the emerging of the New Christic Community of Brotherhood (*), extending your arms and giving yourselves through your hands. Therefore you are invited to be the work- ers of this Plan of Love.

In the Córdoba Mountain Range, from My Home of Prayer, a point of Light must finish emerging. Therefore you are all called to form yourselves in the school of prayer and to respond to the maternal requests of My Heart. All of you are part of the Home of Prayer because the world needs it in order to reach the Grace of Forgiveness.

Good fraternal service for all My children of Argentina!

I thank you for responding to My call today!

Mary, Mother of the Divine Conception of the Trinity
