DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you feel lonely, I will be with you.

When you see that life is a shipwreck, I will be with you.

When you doubt your faith, I will strengthen you.

When you feel you are carrying too much burden on yourself, I will alleviate you.

When you search for My Son, I will show Him to you and I will give you to drink from the Fount of Mercy and Redemption.

When you see that everything is empty, I will fill you with the Spirit of My Love.

When no one can help you, I will place you under My Mantle so that, with the angels of Heaven, you may praise God, the Source of Love and Forgiveness.

When you feel joy, My Heart will be with you.

When you feel sadness or desperation, call Me because there I will be and I will place you in My arms, just as I did with Jesus, to radiate to you the Light of God. Then you will no longer feel lonely, you will feel the Maternal Comfort of My Heart.

When you cultivate prayer in your heart, there God will be because souls are still in need of forgiveness.

When you do not find the path, cry out for My Heart and I will radiate the Light of My eyes so that you may walk towards My Son, the Redeemer. Thus you will be like a sheep that aspires to the guidance of the Great Shepherd and together with the hearts of the whole world, you will supplicate for redemption.

It will be the moment in which your heart will be kept within the Sacred Heart because in this way you will be protected from all pain.

Now, on this day aspire to be in God and in vigil, in eternal prayer for the souls.

Believe in the power of Mercy and elevate your supplications as flowers to the Heavens, because I will collect them to give them with love to the Creator as an offering of a soul in redemption. And when you see the new dawn remember that the Light of God is being born for each being.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
