**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

With My arms extended, radiating love to all of Argentina, and in a new meeting of children and pilgrims, I give you My Maternal Blessing.

Dear children, in this time of Grace and Justice, I ask you to pray more with the heart, to keep a space for God and that your hearts and lives express themselves lovingly before the Creator. Open the doors of your homes to God so that you may be radiated with the Love of His Omnipotent and Compassionate Divine Spirit, of the Most Holy Trinity.

Dear children, when I call you to prayer, I am calling you, as Mother, to the preparation of your hearts for the new cycle.

My children, this is why I call you daily to be in Jesus and to look for Jesus in each moment of your lives, because Christ promises you the redemption of the heart, the kind rebirth of souls once again consecrated to His Sacred Heart.

In the face of the tests in these times, dear children, I call you to strengthen your union with God, as much as your lives can, because in this way you will be under the Light of the Spirit of the Love of My Son.

Dear children, so that you may grow before the Will and the Plans of God, you must believe in the power of prayer in this decisive time, because it will help you during the different situations of your life.

Dear children, once more My Immaculate Heart comes to Argentina to find hearts consecrated to the hope of the Redeemer; humble and merciful hearts.

Let us pray, My little children, let us pray.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
