**FIRST DAILY MESSAGE OF THE THIRD CYCLE OF THE MESSAGES OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???**

Dear children,

Again and with joy I gather you all in the blessed oratory of My Immaculate Heart, so that you may receive the spiritual impulse to continue responding to the call of Your Heavenly Mother.

On this day I want to invite you to permanent and conscious prayer so that the Higher Life may draw closer to your lives.

Dear children, My desire as a Mother is that every day you be able to perceive that the times are no longer normal, common; they are also not times for indifferent or miserly human attitudes.

My children, after two cycles of daily messages you are already prepared to live My words, to bring them into day to day practice; this will allow My message of Peace to not just be theory, but rather a constant inner impulse to recognize the sublime moment of one's own transformation.

Dear children, many more souls can be touched by the voice of My call and be able to thus form new armies of peace in the world. For this, it will be enough to those who are awakening to walk in faith and confidence until they find again the House of the Celestial Father.

My beloveds, we are already in the moment of living the new times and of not resisting what will come. You will have the sacred opportunity of learning through the good, and of following the footsteps that My Son will continue to indicate to you.

Beloved children, blessings for all in this new cycle of instructions.

I thank you for responding to My call!

Who encourages you to live the great transformation,

Your Mother Mary, Rose of Peace
