DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF GLORY, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children:

With joy and gratitude in the heart, today remember the Resurrection of the Lord and the great victory that He achieved, in His Holy Humility, for each one of you.

It is time that you keep peace in your hearts and that you live the principles of brotherhood that He taught everyone since the beginning.

Let us celebrate, with chants of hallelujah, the Resurrection of the Redeemer in the hearts that, in this Sacred Week, opened themselves to receive the balm of peace and mercy.

My children, let us see the Sepulcher of the Lord glowing in light, awakening love and truth in the hearts that have never experienced it. Let us see the essence of this great mystery of transcending and overcoming death for love and for the salvation of humanity.

Be as the holy women were, waiting for the great moment in which Your Lord reappeared to show the infinite Love of God and to bring the Good News of redemption to everyone.

Have your hearts open to receive the mystery of love that has surrendered everything for you until today, and that will come again among the clouds to release the world from captivity and to liberate it from all evil.

Be apostles of Christ, be followers and examples of His holy word.

Be witnesses of His Mercy so that those who still sleep may have the fortune of knowing the glory of My Son.

I thank you for responding My call!

Who elevates you to the Kingdom of God in celebration and peace,

Your Mother Mary, Rose of Peace and Mother of Glory
