**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE CALVARY,
TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY
FRIAR ELÍAS DEL SAGRADO CORAZÓN?????**

Dear children,

On this holy day I would like you to remember with Me the moment in which My Son went through the doors of Jerusalem to free the world from bondage through His arrival in the holy city, where He was welcomed and praised for a time before His death.

During this Sacred Week, I would like you to accompany your Mother of the Calvary in each one of the events that marked a before and an after in the history of humanity.

United through the Holy Passion of My Son, I invite you to also go through the doors of Jerusalem with Your Heavenly Mother, among the crowd, so that you may meet Him in all His splendor and glory.

Dear children, on this day may your palms and flowers be elevated to Heaven to honor and remember the One who once more has given you spiritual life after His death and His Resurrection.

Let us unite with this holy moment and venerate the legacy that Christ has left through the centuries of centuries.

I thank you for responding to My call!

On the path to the holy city of Jerusalem,

Your Mother Mary, Rose of Peace and Mother of the Calvary
