DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE CALVARY, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Dear children:

With a small cross upon the Heart of My Son, I prepare you to accept the sacrifice for the Plan of God and for all the sinful souls.

With My luminous Heart I reveal to you, one by one, the signs of the Passion of My Son for them to serve as an example of love and of overcoming every day.

My children, embracing the power of the Cross of My Son you will come to know the spiritual and internal values that conquered death and that made the Love of God triumph over every mistake and human difficulty.

Christ is the victorious triumph for your hearts, My Son is the perfect Project in which the souls can fulfill the aspirations of God and sanctify themselves because at the end, dear children, your souls are the ones that will continue performing the trajectory towards the Heart of the Celestial Father.

Dear children, contemplate the immensity of Love of My Son for each creature, live His Sacrifice as if it were your own and adopt a religious posture for the world not to lose the spiritual life.

Let us walk together following the footprints of Christ until we meet again in the apex of the Sacred Passion of Our Lord.

I thank you for responding to My call!

Who gathers you in the Sacred Heart of Jesus,

Your Mother Mary, Rose of Peace and Mother of the Calvary
