DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE CALVARY, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children:

Just as Jesus carried the Cross of the world, you are being called to carry your own cross so that one day everything will be redeemed.

My children, the sacrifice that My Son lived for you went beyond the material and spiritual life. In this whole sacred mystery of the Passion of Jesus many Laws acted to generate the redemption of humanity.

Dear children, assuming your internal sacrifice for humanity, I bring you the possibility to help transcend the deviated paths of millions of souls in the world through the power of prayer and of peace.

On this day in which we prepare ourselves to see Jesus as the Great Lamb that is taken to the slaughterhouse, let us offer to the Celestial Father our alliance with His Spirit and with all the Higher Kingdom.

I open the door for you to walk to My Heart with firm steps of definition.

I thank you for responding to My call!

Who guides you through the Passion of Jesus,

Your Mother Mary, Rose of Peace and Mother of the Calvary
