DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Dear children,

I can make your hearts humble and meek with My maternal Grace because through My Heart I teach you to day by day love the Plan of the Creator by means of surrender and daily sacrifice.

I would like humility to be appreciated and recognized by all My children, that they live it and be an example in each moment of service and charity to others; in this way you will conquer purity and you will be able to detach from all that is old.

As Your Mother who loves you, I invite you to find in humility the path of overcoming the self and the possibility of living it in the name of all those who deny the Love of Christ. In this way, through humility, the Maternal Heart of Your Mother shapes the apostles of Christ so that they can quickly be open to fulfill the Will of God.

On facing all the tests that must be overcome, My Heart will welcome all the children who are willing to live this precious learning in the sacred school of humility; to all of them I will give My encouragement and My strength of a Mother.

I thank you for responding to My call!

Who teaches you to love holy humility,

Your Mother Mary, Rose of Peace
