**DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES,  
TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL  
SAGRADO CORAZÓN???**

Dear children,

The act of humanitarian service for the lost souls who suffer or are sick, sooner or later leads to the total consecration of the life into the hands of God.

The humanitarian service in Turkey awoke in each Missionary child of Peace the gift of a deeper and more conscious service in union with the Celestial Hierarchy.

Dear children, the inner work carried out during so many days in Turkey has permitted all the souls received into the heart of the Missionaries of Peace, and therefore into the Heart of the Celestial Hierarchy, to once again find a material and spiritual meaning to life.

The path of humanitarian service performed by the Missionaries of Peace in the Middle East, travelling through each region of Turkey, required an effort and especially an adaptation of each Missionary of Peace to the state of transmutation that until now continues to take place with the close and inner support of the Mother of the World.

A server is not only in service to find Divine Piety at some moment of their life, but they also offer in these critical times to collaborate openly in what the Universe will need to liberate from suffering humanity.

During this mission taking place in Turkey, the Celestial Hierarchy, in union with the service of the Missionaries of Peace, has extensively transmuted states of indignation, of fear, and lack of love.

Each act of missionary service, which presented itself day by day, opened a little window through which spiritual light could enter the consciousnesses of the Middle East that had been victims of the adversary and of the lack of spiritual light.

The triumph of My Immaculate Heart was gradually woven like a new network of spiritual love in each region of Turkey through which the Missionaries of Peace passed, and mainly, dear children, this network was woven in the hearts of the refugees who had lost hope. Thus, My children, the Regent Angel of Turkey was liberated from the prison to which He had been subject through this humanitarian mission of peace and through the prayers of all.

Once again, the Light of My Immaculate Heart has sown new seeds for the future.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace and Mother of the Refugees
